

## Health & safety policy

S. Brannan & Sons are committed to the implementation and maintenance of an effective Health & Safety Management System that meets the requirements of BS EN ISO 45001.

We recognise that good health and safety practices are an integral part of our business performance and consider them to be a key management objective.

To achieve this objective S. Brannan & Sons Limited will:

- consult with employees on matters affecting their health and safety.
- provide employees with suitable and sufficient information, training, and supervision.
- ensure adequate control of the health and safety risks arising from the company's work activities.
- provide and maintain safe plant and equipment.
- ensure safe handling and use of substances.
- actively aim to reduce accidents and cases of work-related ill health.
- maintain safe and healthy working conditions

All employees are required to take reasonable care for their own health and safety and of others who may be affected by their actions or omissions and cooperate with S. Brannan & Sons Limited to ensure compliance with all legislative requirements and standards.

The Company will conduct a regular review of its health and safety performance with the aim of continuous improvement in all aspects of its operations.
