

Product data sheet

380MM, ENVIRONMENTALLY FRIENDLY WOOD WALL THERMOMETER

Brannan wood thermometers are manufactured using wood sourced from forests managed in a way that preserves biological diversity and benefits the lives of local people and workers. The forests are managed to strict environmental, social and economic standards. Packaging sourced from the same standard of forests.

We offer a range of standard black scales, ideally suited to classroom, office, factory or other commercial property, or attractive, illustrated designs produced specifically with kitchens, nurseries, gardens or schools in mind.

Product features:

- Sustainable wood wall thermometers sourced from forests managed to strict environmental, social and economic standards
- Ethically sourced to protect the biological diversity and benefits of local people and workers
- Ethically sourced, fully recycleable packaging
- Ideally suited to full colour customer branding and design (MOQ apply)
- Suitable for use indoor or outdoor*
- Easy to read, Celsius and Fahrenheit temperature scale or Celsius only scale
- Made in UK

Product specifications:

Temperature range:	-20 to +50°C&F or °C only (see table below)**
Divisions:	1°C/2°F
Accuracy:	+/- 1.0°C @ 10°C
CE/ROHS/WEEE:	N/A
Hazard information (SDS):	See brannan.co.uk for information
Product material:	Beech wood mounting Kerosene filled glass tube
Component weights:	Wood: 242.0g Glass: 18g
Product dimensions :	Net: 382mm x 79mm x 13mm Gross: 426mm x 138mm x 14mm
Product weight:	Net: 260g Card packaging: 40.5g Gross: 300.5g

Description	Barcode	Product no
Standard black scale - °C&F	5 011405 142306	14/230/3
Garden design - °C only	5 011405 142313	14/231/2
Classroom design - °C only	5 011405 142320	14/232/2

Please note: Due to the nature of the material, wood colours may vary slightly from those illustrated.

* If using outdoors, please site in protected position, away from direct sunlight to prolong the life of your thermometer

** Scale ranges may differ slightly from those advertised due to manufacturing procedures
