380MM WIDE, ENVIRONMENTALLY FRIENDLY WOOD WALL THERMOMETER

Brannan wood thermometers are manufactured using wood sourced from forests managed in a way that preserves biological diversity and benefits the lives of local people and workers. The forests are managed to strict environmental, social and economic standards. Packaging sourced from the same standard of forests.

The extra large thermometer housing has an offset glass tube giving maximum space for full colour design. We offer a choice of attractive, illustrated designs produced specifically with your home, garden or schools in mind.

Product features:

- Sustainable wood wall thermometers sourced from forests managed to strict environmental, social and economic standards
- Ethically sourced to protect the biological diversity and benefits of local people and workers
- Ethically sourced, fully recyclable packaging
- Offset thermometer giving maximum space for individual designs
- Suitable for use indoor or outdoor*
- Easy to read, Celsius only scale
- Made in UK

Product specifications:

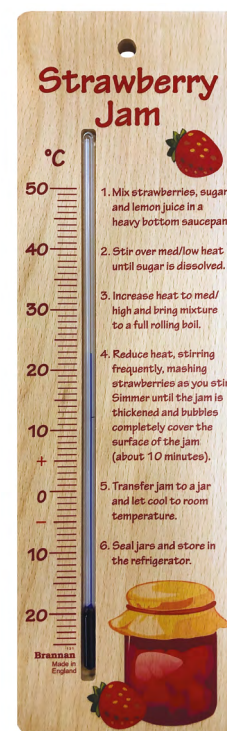

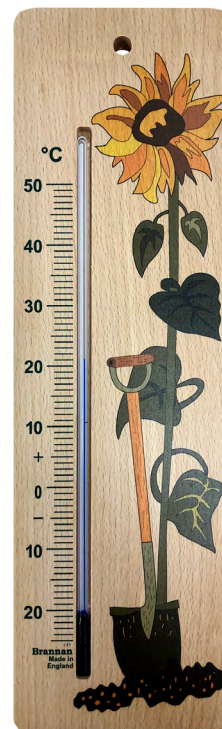

Temperature range:	-20 to +50°C only
Divisions:	1°C
Accuracy:	+/- 1.0°C @ 10°C
CE/ROHS/WEEE:	N/A
Hazard information (SDS):	See brannan.co.uk for information
Product material:	Wood mounting with kerosene filled glass tube
Component weights:	Wood: 425.5g Glass: 18g
Product dimensions :	Net: 382mm x 119mm x 13mm Gross: 426mm x 178mm x 14mm
Product weight:	Net: 443.5g Card packaging: 47.5g Gross: 491.0g

Design	Barcode	Product no
Garden	5 011405 142436	14/243/2
Classroom Kid	5 011405 142443	14/244/2
Strawberry Jam	5 011405 142450	14/245/2

Please note:

Due to the nature of the material, wood colours may vary slightly from those illustrated.

* If using outdoors, please site in protected position, away from direct sunlight to prolong the life of your thermometer.

Measurement for life.
